Our History

Reliance builder is a well-known name in real estate industry in Islamabad. Our focus was to provide unparalleled quality of service, with honesty and integrity. Our focus enabled us to achieve a rapid growth rate and by 2007 we became involved in the construction industry - initially building houses for our local and overseas clients.

Who placed their faith in us? As our team grew and our standard of build quality enhanced our reputation, we began to take on larger projects in conjunction with our associates, partners and investors. Today we are a reputable real estate and construction company specializing in residential and commercial projects of varying sizes with many satisfied clients around the world.

Project Location

Green Villas-II are located in C-18, Green Villas-II are about 10 minutes drive from G-T Road, Motorway Interchange. This zone is considered to be the focus of investment in real estate being closer to the New Islamabad International Airport and connected with Islamabad & Rawalpindi through G.T Road, Srinager Highway.

Specially after the construction of Margala Avenue by CDA, traveling to City Center would be a breeze. D-17 & D-18 connected distance of just 2 km to Islamabad/Peshawar Motorway (M-1) & Srinagar Highway via interchange.
